

Introducing the Nuage seat

BOMBARDIER

The three ways the Nuage seat redefines comfort:

Tilt link system for the first-ever deep recline

A patented tilt link system that delivers an extraordinary deep recline position for breathtaking comfort and relaxation.

Floating base for fluid movement

A unique floating base with a fully trackless footprint and permanently centered swivel axis for effortless and intuitive positioning.

Tilting headrest for exceptional support

A novel adjustable and tilting headrest provides optimal neck support in all seated positions.
