

The Nuage Chaise

BOMBARDIER

For life above the clouds

The Nuage chaise, a unique 4-in-1 seating system that is high on style and comfort.

Its minimalist design complements the cabin's open feeling, while its functionality provides unprecedented versatility.

Lounge

Enjoy pure relaxation in a lounge chair designed to cradle your body.

Dine

Extend your dining possibilities and comfortably host working lunches or a meal with family.

Work

Continue your meeting outside the boardroom in the Conference Suite where in-flight productivity can be fully maximized.

Sleep

The Nuage chaise offers an additional sleeping configuration allowing you to arrive rested and refreshed.
