Bombardier Certified Pre-Owned

A Premium Class of Pre-owned Aircraft

The Bombardier Certified Pre-Owned aircraft program was designed using our extensive product knowledge and refurbishment capabilities to craft premium products, in a class of their own, delivering on the Bombardier promise of excellence in quality and reliability.

Premium Pre-owned Experience Revel in completely new interiors and freshly painted exteriors offering a premium “like-new” experience.

Latest Technology From latest avionics to the fastest in-flight connectivity, these upgrades enhance the value of the aircraft and your experience.

Peace of Mind Enjoy peace of mind with a 1-year OEM-backed warranty, and exclusive structural parts corrosion¹ coverage through our in-house service programs.

Turnkey Solution The best aircraft are selected, and receive all maintenance inspections and top system upgrades.

Bombardier Exclusive Certified Pre-Owned is an industry-first program offering everything under one roof, with access to the extensive Bombardier Services Network.

Premium Pre-owned Experience

Bombardier Certified Pre-Owned aircraft offer a “like new” cabin experience by investing in a range of interior updates such as refurbished upholstery and metal inlay replacements. Also included is a fresh coat of Matterhorn white paint providing the perfect canvas to apply a personal touch with your signature livery.

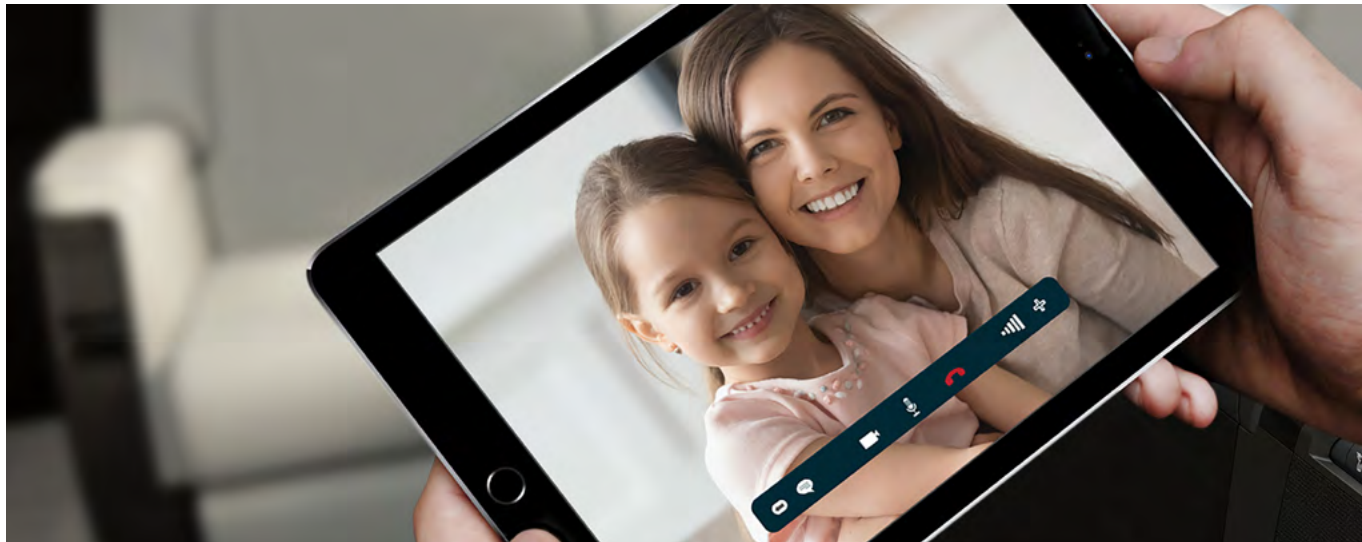

Latest Technology

With future-proofing in mind, aircraft avionics and connectivity receive top-of-the-line upgrades such as Pro Line 21™ Advanced with FANs, Gogo Avance L5, Ka-Band and Smart Link Plus to name a few.

The resulting in-flight connectivity will exceed your expectations through worldwide coverage, performance commitments and fastest connectivity to stream, watch, or communicate.

Peace of Mind

Bombardier Certified Pre-Owned aircraft hold the promise of excellence in quality and reliability. To ensure the highest level of customer satisfaction, the pre-owned aircraft undergo stringent quality checks backed by a 1-Year OEM warranty, and an exclusive structural parts corrosion¹ coverage through our in-house service programs.

Turnkey Solution

All Bombardier Certified Pre-Owned aircraft come equipped with the latest improvements in reliability through recommended maintenance inspections, service bulletins, and upgrades to ensure a smooth buying experience.

Bombardier Exclusive

Bombardier's Certified Pre-Owned program is the first of its kind proudly offered by an OEM. From delivery through operations and beyond, customers can expect Bombardier to stand by its products. You can fly confidently knowing that you can rely on the extensive Bombardier Services Network.
